**Welcome to our website Pizza and Pasta Menu which is available in the bar or restaurant each evening from 6.00 p.m. - 9.00 p.m.**

**As we use fresh seasonal produce our menu can change from time to time**

**We also have a selection of delicious meals on A la Carte menu and on our specials board.**

**At Alston House we do not buy ready meals everything on the pizza and pasta menu is cooked fresh to order using locally sourced products so there maybe an amount of waiting time especially during busy times- so just sit back and relax and we will be as quick as we can.**

**Our restaurant does get busy, in particular on Summer weekends, so we would advise booking a table, just call us on 01430 382200.**

**We do not include a service charge in our prices, leaving this to your discretion**

**Please also note that the restaurant is closed on Monday evenings during the winter months.**
